## Shepody Food Bank

### *Highlights from 2022*

*by Lynne Greenblatt*

Belated Happy New Year from the Board of Directors of the Shepody Food Bank! We would like to take this opportunity to share with you some highlights from the past year.

**Shepody Food Bank**, located at the **Albert County Community Health Centre** in Riverside-Albert, serves the catchment area from the Village of Alma up to and including the Upper Albert Mines Road in Edgetts Landing, and the Caledonia Mountain Road from Riverside-Albert up to Route 910 in Rosevale.

We are open every Wednesday from 1-3pm, serving clients on a first-come, first-served basis. Clients may visit once a month for assistance and will receive six days' worth of food for each individual in the household.

In 2022, we served over 80 households comprising 170 individuals in need, giving out almost 23,000 meals. Almost 30% of the people we serve are minors and around 20% are seniors.

It takes a village to fulfill our mission of helping our friends and neighbours in need, serving our clients with dignity and respect. We would like to express our gratitude to these organizations and individuals for their generous donations – in kind, in funds and in deeds:

- The **Albert County Community Health Centre** and their parent company, **Horizon Health**, for having hosted our food bank for well over a decade, giving us the space, facilities and support necessary to operate.
- **New Brunswick Food Depot Alimentaire** for their excellent stewardship of the provincial food banking system.
- Neighbouring food banks – **Albert County Food Bank** in Riverview and **SPOT** in Petitcodiac for generously sharing their resources in times of need.
- **TransAlta Kent Hills Facility** management and employees, **The Christmas Shoppe** in Riverview (Micheal McBurnie), **SPOT** Petitcodiac, **Longhorn Transport**, the **Riverside-Albert Baptist Church**, and **Saint Mary's Anglican Church** for their generous and much appreciated financial contributions.

Many, many other individuals, businesses and churches in the area have donated regularly for the past several years. This year they collectively donated ~4300 pounds of food as well as monetary

contributions. For reasons of privacy, we can't name them all, but they have our most heartfelt thanks.

Finally, and most importantly, we would like to thank our crew of more than 30 volunteers. These dedicated and hard-working individuals have given over 1,000 hours of their time and efforts to keep the facilities in order, maintain records, purchase groceries, unload the delivery truck, stock and restock shelves, pack food hampers for clients, and perform countless other tasks necessary every week for us to fulfill our mission. Shepody Food Bank could not exist without them.

To all our sponsors, donors, supporters, and volunteers – you have our undying gratitude!

We wish you all a very happy, healthy New Year!!!

# Harvey School at the Harvey Community Hall

*by Jane Chrysostom*

As one travels along Routes 114 and 915 throughout Fundy Albert on an early weekday morning, you'll likely see youths of different ages standing along the side of the road, heads bowed scrolling social media or using a device, idly chatting, or sitting in a warming vehicle until the school bus arrives to deliver them to Caledonia Regional High School in Hillsborough or Riverside Consolidated School in Riverside-Albert. None walked "uphill in three feet of snow wearing their father's thin-soled-newspaper-lined loafers" to reach their education destination.

Yes, yes we've all heard similar versions of exaggerated tales of bygone school days. But there are some compelling school-day anecdotes of local history that have been more accurately told - and should be shared - to give an appreciation of different generations and to preserve their stories and memories

Archives reveal a 1964 interview with Mr. & Mrs. Morris who described the Harvey School as "a two room school with a classroom in between which was used for strapping\* bad children. I never got in there myself." *\*Strapping was a form of punishment using a leather strap or belt to strike hands or backsides.*

Hollis Brewster (now 89 years old) tells the Harvey Hall Facebook page that he was there when the Harvey School burned in 1940.

In summer of last year, Harvey Hall board member Debbie James of Lower Cape visited on the phone with Bernice (Bennett) Russell. Now 87, Bernice is a former student of the Harvey School on Mary's Point Road off Route 915. Bernice tells that when the Harvey school burned the pupils were moved across the road to the 1884 Harvey Community Hall until a new school could be built. Mrs. Russell describes how they tried to get back to the original school house as soon as possible because there was no electricity in the hall. Classes were held upstairs. The upper level that is over the stage area held classes for grades 1-4 with Mrs. Thelma Ballard as the teacher.

Classes near the steps (the street/front end of the building) were grades 5-8 with Mr. Stuart Kiever as the teacher. "Our desks faced the direction of Harvey Bank with two children per bench/desk - the bench attached to the desk." There are some of these desks with attached benches remaining in the upper level of the hall. Students traveled by bus from New Horton and loved to play in the mud (clay) under the hall. "Christmas programs in the community were held at the Harvey Hall. Lighted lamps were placed along the side walls to give ample lighting for the presentations." A vintage oil lamp chandelier still hangs in the upper level.

Debbie James recently met and chatted with Garfield Brewster, now 86 years old, who lived in Mary's Point and walked to school and the hall. He told her that eventually there was a bus. School started by the ringing of a hand bell, and wood stove fires in the hall were tended to by Garfield Brewster and Richard Bennett (brother of the afore-mentioned Bernice). Garfield and Richard loved to play in the clay behind the hall and decided they should make some clay nests for the swallows at the old school. None of the birds liked these nests and kept building their own.

A description of the Harvey Hall gleaned from a 1998 article in the New Brunswick Reader reports "It's not a fancy building, but a spacious one, paneled floor to ceiling in red spruce and possessing the same simple beauty as the wooden ships once built by people in this county. In the cubbyhole behind the stage, the signatures of schoolchildren can still be deciphered on the wood-paneled walls." A recent hands-on helper for a Harvey Hall work party last

fall discovered a distant relative's name in those 'cubbyhole/stage wings'. Even the hall's graffiti has history and a local connection to it!

Whether you're a newcomer to Fundy Albert, or a long-time resident, there's history to learn, and history to make – especially now with the ongoing efforts to keep the Harvey Hall of the people and for the people for continued fun, learning and community.

If you have stories to share, reach out to the Harvey Hall Facebook Page or email at [harveyhall1884@gmail.com](mailto:harveyhall1884@gmail.com)

# Volunteer Drivers Are Needed to Help Seniors Get to Medical Appointments!

*by Kelly Taylor*

Urban/Rural Rides is a volunteer driver service that assists seniors in the area who do not have access to transportation to get to medical appointments. Seniors living in rural communities who do not have family handy and are unable to drive themselves find it difficult, and in some cases, impossible to access the medical care they need.

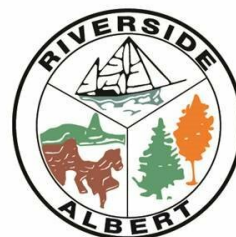

Urban/Rural Rides seeks to fill that gap by offering a safe, affordable option by using volunteer drivers.

Volunteers use their own vehicles and are reimbursed \$.46/km for the expense of using their vehicle. Volunteers undergo a

simple screening process before driving clients to appointments.

Becoming a volunteer driver is a great way to give back to your community and to make an impact in a real and tangible way. Many volunteers find that helping others in their community this way enhances their lives as well and often creates new friendships and connections within the community.

If you would like to volunteer as a driver and help change lives one ride at a time, please call 506-962-3073 or visit <http://urbanruralrides.ca> for more
