Anglophone East Students Celebrate 2023 Regional Heritage Fair May 13 Albert County Museum

submitted by ASD-E Regional Heritage Fair Coordinator,
Dawne McLean

The Albert County Museum was bustling with activities on Saturday, May 13, as students from Anglophone East participated in the District's 2023 Regional Heritage Fair at the museum – the perfect location for a heritage fair celebration!

The Heritage Fairs program is a provincial initiative that takes place in schools for Grades 5 to 9. Students choose a New Brunswick or Canadian Heritage topic or theme of interest to them, research the topic and then create a heritage project. Each district school that participates has students attend the Regional Heritage Fair to present their projects to be judged for various awards. At the Awards Ceremony, students are presented with Regional Heritage Fair trophies and plaques, awarded to student projects in specific categories. Every student receives a 2023 Regional Heritage Fair medal and certificate, as well as books and special prizes.

At the Regional Heritage Fair students not only presented their projects to be judged, but also enjoyed enrichment activities throughout the day, as well as a guided tour of the Museum buildings and exhibits. During the outdoor enrichment activity with Dan Sinclair, a Fundy National Park interpreter, the students were motivated to connect with nature in their surroundings while they used binoculars and magnifying glasses to observe birds, plants and smaller living things. It was also a fun experience to set up tents on the Museum grounds.

Well known local artist, Tim Isaac, provided a unique artistic opportunity for the students to work together combining Bay of Fundy stones, sea shells and handmade clay tiles to create a “Nautical Mosaic”. Each student designed their personal section of the mosaic. Notice the interior design of black clay tiles that formed the anchor inside the ship’s wheel. The mosaic will be a wonderful display at the Albert County Museum!

Riverside Consolidated School Receives OES Donation to Upgrade “Outdoor Classroom”

Jeff Keirstead, Principal of Riverside Consolidated School, received a donation of \$3,000 from Order of Eastern Star, Winston Churchill Chapter #19, which was presented by Robert Keirstead, Worthy Patron of Winston Churchill Chapter.

The donation to the Riverside Consolidated School will be used for the needed upgrades to the site of the “outdoor classroom” on the school’s front lawn, which will include removing topsoil, levelling the ground and adding loads of gravel.

An “outdoor classroom” refers to a space outside the traditional classroom where learning can take place. Learning outside is not only beneficial to students' well-being, but it's a great way to stimulate enthusiasm for learning, fostering hands-on education and connection with nature.

Rising Tide Festival

We are pleased to announce the official dates for this year's Rising Tide Trails & Tunes festival that will take place October 13-22, 2023. This festival will take place throughout the communities of Fundy Albert, Fundy St. Martins and Sussex. Our hosts for the festival are Hillsborough, Riverside-Albert, Alma, Sussex and St. Martins. Be sure to follow the Rising Tide Festival Facebook page, as well as Friends of Fundy on both Facebook and Instagram for more updates and announcements.

Exploring the Tales of the Tides has never been easier with the introduction of the app, Driftscape. Driftscape creates interactive experiences for visitors to our region through well-curated, self-guided tours right at your fingertips. Driftscape helps to move people throughout the entire region and showcases our local and natural gems, and it's a great addition

to support our locator maps. This summer we are testing it and we invite you all to check it out as we continue to build onto it! Keep a watch for stickers and pamphlets around your favourite local businesses that include the QR code to direct you straight to the app for download!

Royal Canadian Legion Branch No. 32 – Hillsborough

Remembrance Day Service 2023

Remembrance Day (also known as Poppy Day owing to the tradition of wearing a remembrance poppy) is a memorial day observed in Commonwealth member states since the end of the First World War in 1919 to honor those who paid the supreme sacrifice in the line of duty. The day is also marked by war remembrances in several other non-Commonwealth countries. In Canada, Remembrance Day is observed on November 11 to recall the end of First World War hostilities, which formally ended "at the 11th hour of the 11th day of the 11th month" of 1918, in accordance with the armistice signed by representatives of Germany and the Entente between 5:12 and 5:20 that morning. ("At the 11th hour" refers to the *passing* of the 11th hour, or 11:00 am.) The First World War officially ended with the signing of the Treaty of Versailles on June 28, 1919.

Due to the shortage of members and volunteers, and with the large area to cover for the poppy campaign, the Royal Canadian Legion (RCL) Branch No. 32 Hillsborough will conduct one Remembrance Day service in Hillsborough on the 11th of November at 11:00 am in accordance to the official date and time to honor those who have fallen in the line of duty. We encourage all members of the regional communities to attend.

However, if the villages of Alma and Riverside-Albert wish to conduct their own services on the 11th of November at 11:00 am, Branch No. 32 RCL will supply a guideline for the service and the wreaths and crosses a few days prior to the 11th of November. A contact person from the villages that wish to conduct their own services would be greatly appreciated.

The presentation of medals for the children's poems and drawings contest will be conducted at the Riverside-Albert and Hillsborough elementary schools as we did in the past.

If you have any questions, please do not hesitate to contact the Hillsborough Legion at (506) 734-2289.

Lt. Governor of New Brunswick Unveils Heritage Exhibit

Albert County Museum

~ Dawne McLean, President ACHS

On May 27, 2023, the Albert County Historical Society was honoured to have the Lt. Governor of New Brunswick, The Honourable Brenda Murphy, unveil a new heritage exhibit in tribute to The Honourable Abner Reid McClelan of Albert County, former Lt. Governor of New Brunswick, 1896-1902.

The McClelan exhibit includes a bilingual interpretive panel and a customized shadow box that displays the formal tuxedo worn by McClelan during his years as Senator and as the Lt. Governor of New Brunswick. The McClelan exhibit project was made possible through the support of the New Brunswick Department of Tourism, Heritage and Culture. The tuxedo had been worn by Mr. James West, well known historian and great nephew of McClelan, at commemorative heritage celebrations, including the reenactment of the 1905 Opening of the Riverside Consolidated School, and at “Anna’s Tea Party” held in 2009 at Victoria Manor, the McClelan’s stately residence built in 1893.

Appreciative thanks to Beulah Morrissey of Riverside-Albert, a passionate promoter of community history, for donating McClelan’s heritage tuxedo, now accessioned as a treasured artefact in the Albert County Museum collections. The impressive shadow box and professional mounting of the tuxedo display was the talented conservator work of Michelle Harvey-Larson, Studio on the Marsh. The tuxedo shirt and collar was recreated by Janet Hoar, local talented seamstress. The

bow tie, donated by ACHS Director, Sharon McIntyre, had belonged to her father, a long time County resident.

The Honourable Abner Reid McClelan (1831-1917), born in Riverside, Albert County, was a respected political figure, prominent businessman and significant benefactor to the community. Educated at the Wesleyan Academy (now Mount Allison University), McClelan, as a young man, showed a keen interest in business, as well as politics. In 1854, at age 23, he was elected to the NB Legislative Assembly and was MP for Albert County until Confederation in 1867, when he was appointed to the Senate of Canada. After serving as Senator for 29 years, he was appointed as New Brunswick’s 10th Lt. Governor, a position he held from 1896–1902. Retiring from public life, McClelan returned to Victoria Manor in Riverside, where he and wife, Anna, enjoyed an active and social community life. McClelan turned his attention to local affairs, using his influence and personal wealth to bring improvements to his home community. With a deep interest in education, McClelan contributed \$5,000 towards the building of the Riverside Consolidated School in 1905. Following his death, the majority of his wealth was bequeathed to educational and benevolent projects, which resulted in the building of the McClelan Memorial Hospital in Riverside.

Enjoy a visit to the Museum and view “The Honourable McClelan Exhibit”, which is now a permanent display!

Forest Dale Home Board of Directors

Lots of changes happening with Forest Dale Home! After the annual general meeting on June 7th, we have a new Board of Directors. We welcomed Kathy Weir as the Chair (Zone 2), Paul McKinley as Vice-Chair (Zone 1, Strategic Planning Committee Chair), Amanda Carson as Treasurer (Zone 5, Finance Committee Chair), Alicia O'Hara as Secretary (Zone 1, Public Relations Chair).

Directors include Sean Blewett (Zone 1, Building Committee Chair), Ruth Anne Conway (Zone 2, Employment, Policy and Bylaw Committee Chair), Bill Balsler (Zone 4, Workplace Health and Safety Committee Chair), Amy Goodine (Zone 2, Workplace Health and Safety Committee Co-Chair), Rhonda McKinley (Zone 1), and Rebekah Friesen (Zone 2). The Forest Dale Home Board can have 15 members, and we are always looking for community members who have an interest in the future of our facility.

Our current Executive Director, Vicki Cassie, will be retiring in September. Our recruitment committee posted the position and

conducted interviews over the past two months. We are happy to announce Patrick Kemp will be joining the team on June 26th as Executive Director. He will work with Vicki over the summer to ensure a seamless transition. Patrick comes from the Saint John area and plans to reside in our community with his two young children and his father. Patrick has a strong background in human resources, banking, project management, and business ownership. He also has been involved with several charitable organizations.

Congratulations to Mindy Holmstrom who has accepted the position of Support Services Manager. Mindy has been with the management team as the Executive Assistant for the past 12 years. Best of luck!

We also want to welcome Lori Anderson from Waterside as our new Executive Assistant. She'll be one of the first faces you see when you come into Forest Dale!

Stay tuned for regular updates about our beautiful home.

Forgiveness – by Gayle Copp Steeves

The windows were broken, the door was gone
The wood was worn and grey.
The roof had a bad curve that broke my heart
Because my great grandfather never built it that way.

I jumped the ditch full of grass and weeds
And looked for the old gate lane
Over here the old stone well should have been
So difficult to tell because nothing looks the same.

I made my way to the steps of our old house
Where memories were made as a child
Standing with my hand on the old door knob
I wondered if I should go in or depart.

So many memories come rushing back
As I moved from room to room
A picture still hung on the dingy wall
Oh what a feeling of gloom!

In a frame of gold is a beautiful child
Dimpled face, reddish hair and blue eyes
To pause and gaze at this angel face
Could only fill your soul with thoughts of Paradise.

Year after year this picture still hung
On the grey baron walls
Who left her behind to be all alone
A ghost to haunt these halls?

I turn and pause to gaze on the face
Of this child of beauty rare
Why did she never really understand
What it meant to love and care?

I close the door and stand for a while
With my hand upon the knob
I take a deep breath and close my eyes
And let out a pitiful sob.

Now in a frame of gold is the beautiful child
That hangs on my living room wall
No trace of her old presence is left behind
Forgiveness can change it all.

Erase Me From Your Mind – by Gayle Copp Steeves

Pretend I never happened
Erase me from your mind.
You won't want to remember
Any love as cold as mine.

I looked up into his blue eyes
I smiled at him and said
Don't fall in love with me
I will break your heart instead.

It is much too soon for happiness
My heart needs time to mend.
There are so many changes
I wish my old life back again.

I know I can't return
To the life I lived before.
It's funny how a death can change
Your life forever more.

I know that you are angry
For the things I cannot do
But will you try to understand
If I could – I would love you.

I'll be leaving in the morning
For a life I hope to find.
I wonder if you will think of me
Or if I will ever cross your mind.

The seasons of life pass quickly
There are many things we have
learned
I truly understand love can't live
When love is not returned.

On cold nights when stars are
bright
I look up to the sky
A part of you remains with me
Because good memories never die.

I wipe away the tear drops
That fall softly from my eyes
I know I really hurt you
But honestly I tried.

Pretend I never happened
Erase me from your mind
You won't want to remember
Any love as cold as mine.

Familiarity Breeds Content - by Lunamuse 2023

Hey, Cat, you look familiar.

You give me pause to ponder.

I bet your nine lives have tales of wonder, about your days of plunder,
when you escaped your escapades by just a whisker.

There's a saying - leopards don't change their spots, nor tigers their stripes.

Is it the same for you, *felis catus*?

What are you thinking when you climb the trellis,

or creep through the lettuce,

or, when we try to touch you, you deign to let us?

What are you feeling when you try to get us,

with a rush and a pounce and a grab, bared teeth and bare claws, clutching our naked ankles?

Nature gave you a little vibrato machine, and put it in your throat.

It's perfectly tuned to make a human swoon.

That's all we need to have, and all we need to know,

to scoop you up and bring you home.

The Imagination Library is made possible in our community through the partnership of Anglophone East School District (ASD-E) & Moncton Regional Learning Council and a donation from the Bennett & Albert County Health Care Foundation.

What Is It?

Dolly Parton's *Imagination Library* is a 60-volume set of books beginning with the children's classic *The Little Engine That Could*™.

Each month a carefully selected book will be mailed in your child's name directly to your home. Each and every book is a FREE GIFT! There is no cost or obligation to your family.

The Imagination Library was founded by Dolly Parton in 1996 in her home state of Tennessee. She wanted every preschool child to have their own library of books, knowing that early literacy is one of the most effective ways to improve the educational opportunities for children in any community. Books are chosen carefully in keeping with the following fundamental themes: love of reading and learning; regard for diversity of people, their roles, culture, and environment; promotion of self-esteem and confidence; and the appreciation of art and aesthetics.

Who Is Eligible?

Any child from birth to age 5 who is a resident in the catchment areas of: Riverside Consolidated School or Hillsborough Elementary School

What Are My Responsibilities?

1. Be a legal resident of the school catchment area.
2. Parent or Guardian submits registration online (to be approved by the Anglophone East School District).
3. Books are mailed only to the address listed on the official registration form. Your child will begin to receive books 8-10 weeks after your registration form has been received and will continue until your child's fifth birthday.
4. Read with your child, and enjoy books together every day!

How do I register my child?

To Register, login at Imaginationlibrary.com. If you have any questions, please contact Luc Malenfant at Luc.malenfant@nbed.nb.ca.

In the event of a Change of Address: Login into your account and enter your new address for approval by ASD-E. Your child may continue to receive books as long as he/she resides in one of the designated catchment areas.

A better future through engaging student's passion for learning.

Summer Reading Club 2023
Club de lecture d'été 2023

I ♥ BOOKS!
J'♥ BOOQUINER!

Register for the 2023 Summer Reading Club!

This year, children are invited to spend a spooky summer at the library as we READ about, DISCOVER, and CREATE things that go bump in the night! Join us, and soon you'll be saying, "I Love BOOKS!"

The Summer Reading Club is designed to encourage young people to read over the summer holidays. When they register, participants receive a reading logbook in which they can keep track of their reading throughout the summer. During the months of June, July, and August, all public libraries in the province will present various fun and entertaining activities. The Summer Reading Club is intended for all young New Brunswickers.

WATER CONSERVATION

Residents are asked to conserve water to protect the integrity of our water supplies through Fundy Albert. Surface water and groundwater levels are lower because of heat and minimal rainfall. Water consumption may reach non-sustainable levels. It is crucial that residents take extra steps to ensure the Village is able to maintain a safe and reliable water supply. Your household can help by conserving water in the following ways:

- avoid washing vehicles
- avoid watering lawns
- use washing machines and dishwashers less frequently and with full loads only.
- take quick showers to minimize water used for washing.
- consider plumbing alterations, such as installing low-flow faucets, and
- check for leaks in plumbing systems, such as leaking faucets and toilets, and repair as necessary.

We need residents to join a collective effort to help reduce water usage. We appreciate your cooperation. Thank you!
