

Fire Prevention Week ~ October 8-14

submitted by Donald Alward, Fire Prevention Officer at Hillsborough Fire Department.

As Fire Prevention Week approaches, Hillsborough Fire Department reminds residents: "Cooking safety starts with YOU. Pay attention to fire prevention."

The Hillsborough Fire Department is teaming up with the National Fire Protection Association® (NFPA®) — the official sponsor of Fire Prevention Week™ (FPW) for more than 100 years — to promote this year's FPW campaign, "Cooking safety starts with YOU. Pay attention to fire prevention™." The campaign works to educate everyone about simple but important actions they can take when cooking to keep themselves and those around them safe.

Cooking is the leading cause of home fires and home fire injuries in Canada. "Year after year, cooking remains the leading cause of home fires by far," said Lorraine Carli, vice president of outreach and advocacy at NFPA. "This tells us that there is still much work to do when it comes to educating the public about ways to stay safe when cooking." *(Continued on page 3)*

Fire Prevention Continued

The Hillsborough Fire Department encourages all residents to embrace the 2023 Fire Prevention Week theme, "Cooking safety start with YOU." A cooking fire can grow quickly. Many homes are damaged and people injured by fires that could easily have been prevented.

Hillsborough Fire Department offers these key safety tips to help reduce the risk of a cooking fire.

1. Watch what you heat. Always keep a close eye on what you are cooking. Set a timer to remind you that you are cooking.
2. Turn pot handles toward the back of the stove. Always keep a lid nearby when cooking. If a small grease fire starts, slide the lid over the pan and turn off the burner.
3. Have a "kid- and pet-free zone" of at least 1 meter around the stove or grill and anywhere else hot food or drink is prepared or carried.

The Hillsborough Fire Department is hosting an Open House in support of this year's FPW campaign on Wednesday, October 11, 2023 at the Fire Hall in Hillsborough – 2789 Main Street

beginning at 6:30pm. Stop in for a free BBQ and cake, have a look at some of the specialized firefighting equipment, pick up the latest Fire Prevention messages, ask us questions and watch some of the firefighters play 'Jaws of Life Jenga' – a skill-building exercise that teaches precision and control with this very powerful tool. The popular 'Parade of Trucks and Lights' will also take place that evening, so be sure to bring the kids along. Sparky the Fire Dog will also be on hand to greet kids of all ages and pose for photos. For more general information about Fire Prevention Week and cooking safety, visit www.fpw.org. Albert County Agricultural Society #133 established Oct. 1913

submitted by Dawne McLean, ACE Board Director

During the 1800s, local agricultural societies were developing in rural communities throughout Canada and so were the annual agricultural fairs, which aimed to promote rural development. Such was the case in Albert County; the early fairs were organized by the agricultural society of each community and devoted to the exhibition of livestock and agricultural products. These annual one-day fairs held in October were exciting social events in the communities of Albert, Harvey, Hopewell Hill, Hillsborough and Coverdale.

In 1913, the Albert Agricultural Society #133 was reorganized and the Society's annual fair became a three-day exhibition, the Albert County Exhibition. The following newspaper article was published on October 15, 1913, in the "Albert Journal," the weekly Hillsborough newspaper.

Very Successful Fair at Albert
"The three days' exhibition of the newly organized Albert Agricultural Society opened Thursday, October 9, at Albert under favorable auspices. The weather was ideal and a fair sized crowd was present. The horses, with the exception of the roadsters, were shown Thursday and the exhibit was an exceedingly fine one and received great praise from the judge, Mr. C. W. Bell, who said that he had not seen the equal of the horse show at any of the fairs in the province, not excepting the provincial exhibition.

The agricultural and dairy products, fruit, and handiwork were on display in Oulton Hall and during the day visitors enjoyed the music furnished by the orchestra composed of J.H. Berrie, coronetist, Albert McLaughlin, violinist and Miss Marie Erb, pianist of Hillsborough. There was also a nice exhibit of sewing and drawing by the scholars of the Riverside Consolidated School.

Among the features on Saturday of the Albert Fair in which most interest was taken were the exhibition of ladies' and gentlemen's driving rigs. These paraded at the Station square and made an attraction that held the attention of a large gathering. A good deal of interest was taken in the hauling competition in which the team owned by Alden Smith of Hopewell Hill took first prize.

The exhibition closed with a largely attended meeting in Oulton Hall on Saturday evening. From seven to eight p.m., a musical programme was given by the orchestra, and musical selections furnished by a large choir. "In W. M. Calhoun, the new society has an excellent president. The other officers of the new society are: V.B. Oliver, secretary; John Lunn, treasurer; H.H. Tingley, auditor and directors, F.O. Barbour, Daniel Tait, Zenas Turner, J.S. Hayward, G.V. Peck, Fred Smith, Archie Oliver, O.A. Calhoun and Reusford Porter." Oct. 15, 1913
